**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Monday, August 17, 2020:

MINUTE entry before the Honorable John F. Kness: Plaintiff's motion for leave to file a second amended complaint [74] is denied without prejudice. In the motion, Plaintiff has failed to comply with the Court's motions policy, which in relevant part states that "each motion must indicate whether it is agreed or opposed." If the motion is opposed, counsel "are directed to confer and attempt to reach agreement on a proposed schedule. Following that conference, the moving party must propose a briefing schedule in the motion or by email to proposed\_order\_kness@ilnd.uscourts.gov." Although the relevant docket entry suggests that the motion is opposed, the motion itself is silent as to whether it is agreed or opposed. Plaintiff has also failed to state whether the required conferral regarding a briefing schedule occurred, and the Court is not aware of having received a proposed briefing schedule. Plaintiff is directed to review the Court's motions policy, which is available on Judge Kness's webpage, and to take the required actions before resubmitting the motion for leave to amend. Mailed notice (ags)
